The Success Series is a 15-week motivational and support series for MSU students that features the dynamic one-of-a-kind motivational speaker Dr. Eric Thomas (aka the Hip-Hop Preacher). These sessions are every Tuesday (during MSU's academic year) and starts immediately @ 6:30 PM (with community building/campus resources/special guests/PRIZES, etc) followed by a powerful message by ET on topics such as "refocusing," "who's on my team?" "self-esteem," and much much more! Each session also features a Q&A portion with ET. This is the BEST 90 mins of the week!!! This event is FREE & OPEN to the public. If you are unable to attend, the Success Series is broadcasted LIVE on Periscope. Download the [Periscope app](#) and follow @Ericthomasbtc
